Application No. 10/616,394 Terminal Disclaimer

hereby disclaims the Terminal part of the term of any patent granted on the above-identified present application which extends beyond the full statutory term (defined in 35 USC 154 to 156) of commonly owned U.S. Patent 6,738,574.

The owner also hereby agrees that any patent granted on the above-identified application shall be enforceable only for and during such period that the patent granted on the above-identified application is commonly owned with U.S. Patent 6,738,574.

In making the above disclaimer, there is no disclaimer of the terminal part of any patent granted on the above-identified patent application that would extend to the expiration of the full statutory term (as defined in 35 USC 154 to 156) of U.S. Patent 6,738,574 in the event that U.S. Patent 6,738,574: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a Court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.

This Agreement is to run with any patent granted on the above-identified application and is to be binding upon the grantee, its successors or assigns.

The undersigned hereby states that he is an Attorney of Record in the above-identified application and has been

Application No. 10/616,394 Terminal Disclaimer Customer No. 01933

authorized to sign this TERMINAL DISCLAIMER on behalf of the above-identified owner.
